UNDERSTANDING DEPENDENTS

DEPENDENTS

Individuals who rely on another person for support or care and may be covered under that person's insurance or benefits plan.

DETAILS

Dependents up to age 26 can be on your Medical & Dental plan the coverage goes through the end of the calendar year in which the limiting age is met.

VSP Vision coverage goes until the end of the month in which the dependent reaches age 26.

QUICK BITES

A beneficiary is not the same as a dependent, although the same person may be a beneficiary and a dependent, in some cases.

Beneficiaries are individuals designated to receive certain benefits or assets in the event of the policyholder's death or incapacitation.
